

Rainforest Action Co-Ordinator

Job reference: REQ0512

Location: Flexible (see JD)

Full Time

The role is a 2 year fixed term post (with the possibility of being made permanent)

Salary: £45,348 - £49,371 (27.5% employer pension contribution plus benefits)

Do you have a passion for, and knowledge of forest and land management in Scotland, and are you keen to make a difference, by helping to expand and restore our rainforests down the west coast of Scotland, and help mitigate climate change and the nature crisis?

We are looking for an able and motivated person to join the Sustainable Forest Management Team of Scottish Forestry as our Rainforest Co-ordinator.

This role focuses on the development of a strategic approach to rainforest restoration down the west coast of Scotland, to enhance and further enable them to continue to deliver all the benefits for biodiversity, climate change and communities that they provide. You'll engage with a wide range of stakeholders, including policy colleagues across Scottish Government, to identify and co-ordinate policy and delivery needs, and promote sustainable forest management.

Professional membership of the Institute of Chartered Foresters or another relevant professional body is desirable.

Please see the Job Description and Success Profile for a full overview of the role.
