

Forestry Investment Advisor

Office Based: Location flexible throughout UK

Salary: Competitive + Benefits

As the largest integrated forestry business in the UK, and a member of binderholz – Europe's leading timber processing operation – BSW Group is a rapidly developing multi-site business, with a turnover in excess of £650m and operations spanning forestry, sawmilling, timber manufacturing and energy.

Tilhill has, over the last 70+ years, planted more than 1 billion trees and, as a private company, has the greatest number of professionally qualified managers. We specialise in woodland creation and management, timber harvesting and buying, and landscaping. We strive at all times to provide an unrivalled service to our clients and customers.

Sustainable forestry investment and natural capital opportunities, including woodland creation for carbon, has generated heightened levels of demand across Tilhill's client base for acquisition and consultancy services for land and forests. With this, we are looking for two professionals to join our forestry investment team.

Some responsibilities of a Forestry Investment Advisor include:

- Monitoring the rural land market and networking to identify new opportunities.
- Visiting and surveying properties.
- Interpreting mapping data to produce financial models.
- Reporting on investment returns and risks.
- Advising and developing clients.
- Liaising with intermediaries and coordinating conveyancing.
- Thought leadership on forestry in the context of climate, biodiversity, and finance.
- Supporting forestry colleagues on investment matters.

About you

We're passionate about using our scale and capabilities to enhance our people's knowledge and skills. As such, this role(s) is ideal for a commercially minded forestry professional looking to develop their career as an investment specialist, or an investment professional (CFA/CAIA or similar), interested in becoming an expert in the forestry, woodland carbon, and natural capital sectors.

With strong relationship management skills, you're able to build and maintain exceptional rapport with Tilhill clients. In addition to this, we're ideally looking for:

- Degree or Diploma in a Forestry, Land Management, Natural Capital, or Investment related subject(s).
- Sound knowledge or demonstrable interest in the UK rural land market.
- Strong aptitude for Microsoft Excel and interpreting maps.
- Expertise in forestry investment and natural capital would be highly advantageous.
- Analytical and innovative approach.

- Professional membership of the Institute of Chartered Foresters, RICS, or other relevant professional accreditation, such as CFA or CAIA.
- Full driving licence.

Benefits

In return, you can look forward to developing a long-term career with one of the industry's leading employers. In addition to the competitive salary, bonus, and company car, this position also includes excellent benefits such as:

- Company provided health plan and life assurance policy.
- Company sick pay, enhanced with a length of service.
- Company pension.
- 31 days (inclusive of bank holidays) holiday entitlement, enhanced with length of service.
- Funded learning and career development opportunities.
- Discounted rate on a range of BSW products.
- Employee benefits portal with access to exclusive deals and discounts on 100s of high street brands, utilities, eating out and more!
- Confidential 24/7 support with Wellbeing Hub.
- Cycle to Work scheme.
