

WOODLAND MANAGER

£27,000 - £35,000 including access to pool vehicle

Full time (40 hours per week) based in Corby, Northamptonshire or North Aston, Oxfordshire

NICHOLSONS

Leading solutions for the natural environment

Following our highly successful company merger in January 2022 our forestry team has experienced substantial growth. As we continue to expand our operations and unique service offer, we recognise the need for a skilled and experienced Woodland Manager to work alongside and under the guidance of our dynamic senior forestry and land management team.

As a Woodland Manager you will be responsible for:

- Conducting assessments, pricing, planning, and execution of forestry contracts.
- Developing comprehensive management plans for clients' woodlands.
- Applying for and negotiating grant applications.
- Timber marketing.
- Providing clear instructions and briefings to contractors and staff for efficient operations.
- Conducting thorough health and safety audits on site to ensure compliance.
- Driving specific business development initiatives for the division, as required.
- Securing relevant permissions, such as felling licences and permits, for work activities.
- Collaborating with colleagues to offer expert advice on emerging opportunities for woodland owners, including agroforestry, carbon initiatives and Continuous Cover Forestry (CCF).

What do we offer?

- A competitive salary, discretionary annual bonus and pension scheme.
- Travel expenses plus breakdown cover.
- 25 days annual leave, plus bank holidays (based on 40 hours a week), rising to 26 days after 2 years' service.
- Death in service scheme.
- Time Off in Lieu scheme to recognise a healthy work-life balance.
- CPD and training opportunities.
- Membership fees and subscriptions to relevant professional bodies covered by the company.
- Discount to The Yurt Restaurant, Plant Centre and Rosara furniture.
- 1 weeks use of a choice of holiday homes (Scotland, Wales and France) for a nominal fee.
- Annual company social events for staff and their families.

Successful candidates will:

- Have a passion for the protection and enhancement of our planet.
- Demonstrate expertise in forestry management, with at least two years relevant work experience.
- Exceptional communication and interpersonal skills, enabling you to work effectively as part of a team and build strong client relationships.
- Ability to work independently, demonstrating self-motivation and initiative to achieve outstanding results.
- Proven experience in securing permissions and managing contracts, ensuring adherence to regulations.
- A passion for continuous learning and staying updated on industry trends and best practices.
- Be chartered or working towards chartered status.
