Forest Manager – Mid Wales

H W Forestry Ltd a part of the Western Bio-Energy Group has been supplying forest management advice and consultancy services to a broad range of clients across Wales since 1985. Due to continued growth of our business, we require an experienced Forest Manager to join our team based in Mid-Wales Area.

What you will do:

- **Client Management** – Work directly with our clients to identify their requirements and develop annual budgets which reflect their priorities.
- **Property Management** – Organising and delivering agreed programmes of work on client's properties to include – Stewardship, restocking, management of growing stock, tree safety management and conservation work.
- **Woodland Creation** – Preparation of woodland creation plans for clients and delivering woodland creation schemes to agreed budgets and timescales.
- **Consenting** – Obtain all required consents for planned work to include – Felling Licences, EIA determinations and planning consents.
- **Grant applications and claims for client's work** – To include woodland creation grants, woodland restoration grants and other funding sources.
- **Harvesting and Marketing** – Preparation of parcels of standing timber for sale and then management of the sale to contract completion.

We are looking for someone to join us who is highly motivated and wants to develop their professional skill set working closely with very experienced professionals. You will need good communication skills and the ability to engage with clients, regulatory bodies and other professionals with confidence and clarity. You will need to be comfortable to take on multiple projects and manage competing demands for your time. In addition to this you will ideally have:

- Relevant academic qualifications and experience
- Membership of the Institute of Chartered Foresters or currently working towards membership
- Minimum of 5 years' experience in Forestry or closely related land management discipline
- Good knowledge of current forestry practice and legislation
- Full UK Driving licence

In return we will provide you with a competitive and attractive salary and other benefits.
